GLOBAL HEALTH

YEAR OUT OPPORTUNITIES

• 3 months to 1 year
• High resource: Australia, France, USA (CDC), England, UAE, etc.
• Low resource: Gabon, CDC Hubert, Zambia, Asia, Doris Duke, etc.
• Mentor-specific vs. open mentors: Fulbright Fogarty & Fulbright
• Combination of activities possible
• Deadlines from September to January

Planning:
• What do you want to achieve?
  • (specific research focus vs specific geographic location)
• Review the CGH website for:
  • year out funding
  • ideas /student reports
  • deadlines
• Meet with CGH, if needed: globhlth@mail.med.upenn.edu
